MISSION STATEMENT

The Carpet Cushion Council is dedicated to promoting the use of better quality carpet cushion in all markets in which its members operate – primarily the residential and commercial carpet markets. The Council also works to increase trade awareness of the value and benefits of quality carpet cushion.

The Council fosters and promotes the interests, business and products of its members through ongoing programs within the floor covering industry, including creative publicity and public relations campaigns designed to reach and influence all audiences important to the continued growth of the carpet cushion industry.

The Council assists its members and the industry in establishing trade practice rules and regulations, as well as collects and distributes data and information of interest and benefit to its members and related industries.

The Council also acts as the industry representative in matters relating to the Department of Housing and Urban Development (HUD), the Environmental Protection Agency (EPA) and other federal, state and local regulatory bodies.

MEMBER BENEFITS

Membership in the Carpet Cushion Council provides:

- ✓ Active advocacy work on federal, state and local legislation and regulatory issues which could potentially impact the Carpet Cushion industry; Access to legal analyses of laws and regulations that affect the Carpet Cushion industry
- ✓ Contact and cooperation with other associations important to the continued sustainability of the Carpet Cushion industry
- ✓ Access to Technical Manager with specialized knowledge of chemistry and engineering associated with Carpet Cushion
- ✓ Complimentary annual laboratory analysis of trace levels of flame retardant (FR) chemicals in bonded cushion products
- ✓ Discounted participation fee for Green Label Plus (GLP) certification, which is the leading indoor air quality environmental program for Carpet Cushion. CCC administers the program; Technical Manager communicates test results to participants, offering explanations for the emission of specific chemical substances; Member discount averages \$4,700 per year
- ✓ Twice yearly meetings where members hear from outside experts, and receive detailed updates on regulatory and technical issues impacting the industry. Meetings also provide an opportunity for Manufacturing Members to interact with Associate (Supplier) Members
- ✓ Opportunity to participate in, and have access to the data resulting from various industry cushion testing and other environmental, safety and health-related technical studies.
- ✓ Availability of CCC's information network, including literature regarding Carpet Cushion benefits and standards, as well as technical research
